Dear Sir,

I enclose herewith confirmation from Midland Bank of the payment made to Norseland Limited by Fuchs Electronics for consultancy services up to December 31 1989. I sent a banker's draft to Norseland Limited after receiving instructions from Mr S Levi, the London representative of IML, who were engaged in a joint enterprise with Fuchs. The payment was for a metallurgical analysis of alloy samples and a written report by Dr Drewe. The references to Astra Defence Systems Limited and IML do not relate to this payment. You should refer any enquiries concerning Astra Defence Systems/IMI only to Mr Dennis Robertson of Stoy Hayward, 8 Baker Street, London W1, who is supervising the audit of the accounts of Astra Holdings plc and IML.

Yours faithfully

S A Kock
Consultant
