It is the policy of the World Economic Forum to safeguard the privacy of its Members and participants by preventing any misuse of personal information provided to us for the purpose of facilitating contact and dialogue in furtherance of the Forum's mission.

- All participants in any World Economic Forum activity agree to treat any information related to the list of participants and participant contact information as strictly confidential and to use it solely to facilitate personal communication among participants of the World Economic Forum activities.
- They agree that this information shall not be used for any other purpose, including solicitation for commercial endeavours.
- In case of violation of this rule, the World Economic Forum reserves the right to take any action it deems appropriate and necessary to protect the nature and the confidentiality of its activities.
