

Nationals' candidate John Barilaro said the forum would be a good opportunity for the people of the Monaro to get to know their candidates.

"What I like about the forum is that it's a real opportunity to meet the candidates who are seeking to be elected in the seat of Monaro," Mr Barilaro said.

"People are entitled to know who you are, what you stand for and what you believe in."

Edward Glassop How about a promise not to privatise the electricity grid if elected? John does not want to say what he will do. I think this needs to be cleared up don't you reckon?

Edward Glassop The article says - But Mr Barilaro said that electricity was the number one issue being discussed by Monaro residents on the campaign trail. So why won't he say he wont sell off if elected?
