

## POBLACHT **NAMA** NA H EIREANN

### **THE PROVISIONAL GOVERNMENT**

OF THE

# **NAMA REPUBLIC**

### **TO THE PEOPLE OF IRELAND**

**IRISHMEN AND IRISHWOMEN:** In the name of God and of the dead generations from which she receives her old tradition of nationhood, Ireland through us, summons her children to pay for our greed, corruption and avarice.

Having deceived and betrayed her manhood through our secret revolutionary organisation, the Golden Circle, and through our open organisations Anglo Irish Bank and Fianna Fáil, having patiently perfected our discipline, having resolutely waited for the right moment to reveal ourselves, we now seize that moment, and, supported by gallant allies in the IMF and the EU, but relying on first in our own brass necks, we strike in full confidence of victory.

We declare the right of the private banks to the ownership of Ireland, and to the unfettered control of Irish destinies, to be sovereign and indefeasible. The long usurpation of that right by the will of the people has not extinguished the right, nor can it ever be extinguished except by the destruction of the Irish people, which is now well under way.

We hereby proclaim the NAMA Republic as a Sovereign Independent State, and we pledge the lives of the innocent to the cause of its freedom, of its welfare, and of its exaltation among the multinationals.

The NAMA Republic is entitled to, and hereby claims, the allegiance of every Irishman and Irishwoman. The NAMA Republic guarantees unequal rights and unequal opportunities to all its citizens and cherishing all of the children of the nation unequally we promise to promote the interests of the minority over the majority into the future.

We place the cause of the NAMA Republic under the protection of the Most High God, Whose blessing we invoke upon our bank accounts, and we pray that no one who serves that cause will dishonour it by courage, honesty or integrity. In this supreme hour the Irish nation must, by its valour and discipline and by our readiness to sacrifice other people's children, prove itself worthy of the august destiny to which it is called.

Signed on Behalf of the NAMA Government,

**BRIAN COWEN**

**BRIAN LENIHAN,  
MICHAEL FINGLETON  
BERTIE AHERN.**

BERNARD McNAMARA,  
JOHN GORMLEY**
